In his encyclical *The Gospel of Life*, Pope John Paul II told us that we have an inescapable responsibility of choosing to be unconditionally pro-life. This Catholic campaign brings us together for common action to end the use of the death penalty, to reject a culture of death, and to build a culture of life. It poses an old and fundamental choice: *I have set before you life and death, the blessing and the curse. Choose life, then, that you and your descendants may live.*

(Dt 30:19) ~USCCB, A Culture of Life and the Penalty of Death
